RE: Dry Needling

Ms. Blair,

The Wyoming Board of Physical Therapy discussed your letter regarding the practice of dry needling .

The Board does not see a problem with dry needling that you inquired about. There is nothing in the current Practice Act that would preclude dry needling with the proper credentials.

Should you have any questions or concerns, please contact me at (307) 777-3507. Thank you for your cooperation.

Sincerely,

Nanette M. Brown
Executive Director
