

Functional Dry Needling Certification Curriculum Calendar, 2019 Winter Cohort

WINTER COHORT

2019

January

February

March

April

May

June

APPLICATION DEADLINE DEC 1

Therapeutic Neuroscience Education
6 WEEKS

Functional Dry Needling Level 1
4 WEEKS

Functional Dry Needling Level 2
4 WEEKS

FDN: Clinical Application and Reinforcement-online didactic
4 WEEKS

Functional Dry Needling Level 2 (2-day/3-day)

2019

July

August

September

October

November

December

Advanced Clinical Integration
4 WEEKS

Writing Case Reports and Case Series
4 WEEKS

FDN Case Presentation Project
Online/Presentation

FDN: Clinical Application and Reinforcement (2-day/3-day)

Prerequisites:

Functional Dry Needling Level 1 (2- or 3-day on-site)

Program Curriculum:

Functional Dry Needling Level 1 (online, self-directed)

Functional Dry Needling Level 2 (online, self-directed)

Functional Dry Needling Level 2 (2- or 3-day on-site)

Functional Therapeutics: Dry Needling and Corrective Reinforcement (online, self-directed)

Functional Therapeutics: Dry Needling and Corrective Reinforcement (2- or 3-day on-site)

Therapeutic Neuroscience Education (online, faculty-led)

Advanced Clinical Integration

Mentored Clinical Practice (ongoing throughout the program)

Functional Dry Needling Capstone Exam

Course Key:

Topic Course - Online - Faculty led

Topic Course - Online - Self directed

Weekend Intensive (WI) - On-site Lab - Faculty led

Please note all course dates may be subject to change.
